Townsville Hospital Foundation

Junior Volunteers

About us

Helping Heal Locals Since 1989. We've been providing the extras that make a difference to patients, their families and hospital staff.

Through events and celebrations, celebrity visits, coordinated regional appeals and corporate funding, the Townsville Hospital Foundation strives to help those who need it most and to lift the spirits of sick patients and their families.

Thanks to our friends, donors, sponsors and volunteers, these activities are made possible and dreams a reality.

We Need You!

We are planning to increase our marketing and events activity this year but we can't do this alone.

To help us out, we are looking for a team of motivated volunteers to help us run exciting events and market our organisation.

If you want to get involved in a good cause that has a direct impact on your community then this is your chance.

Together we can make a real difference!

Becoming a Special Events Vollie

The role of a special Events Volunteer will be an on-call arrangement. On registering your interest to be involved, you will be asked to let us know which times and days suit you.

There is no limit to the amount of assistance you can give to help us help those in need –whether it be an hour, a morning, afternoon, or a full day or evening your contribution will help us make a difference.

There are no formal qualifications needed to become a Special Events 'Vollie' but you will enjoy meeting people from all walks of life and be friendly and motivated to represent the

Townsville Hospital Foundation.

Once you start giving, you'll never look back thanks to the many positive experiences to be gained.

What's Involved

As a special Events Volunteer you will get involved in some fun and interesting projects, here are some of the activities you might be asked to take part in.

- Meet & Greet guests at events
- Pack gift bags for events
- Sizzle sausages to help raise funds
- Face painting at events
- Help with mail-outs and telephone campaigns for fundraising appeals
- 'Man' shopping centre displays
- Undertake face-to-face market research

To name a few of the fabulous activities on offer.
